New construction 3 bed, 2 bath, 3-car garage custom home by Fanning Construction located in the desirable Harper Ridge subdivision. This thoughtfully designed home offers a split master floor plan and an open living area featuring cathedral ceilings with exposed beams. The kitchen includes quartz countertops, stainless steel appliances, and stylish black fixtures throughout. Luxury vinyl plank flooring runs through the common areas and bedrooms, while tile flooring finishes the wet areas. The spacious master suite features a custom tile shower, and the covered back patio provides the perfect space to relax or entertain. Additional highlights include a 96% high-efficiency HVAC system and quality finishes throughout the home.
