Nestled in the coveted Diamond Head subdivision along the quiet, deep waters of Little Niangua, this pristine home delivers the lake lifestyle without compromise. Functional floor plan is ideal for full time or hosting lots of family complete with a heated and cooled three seasons room overlooking the lake. Deep, calm water perfect for crappie fishing right off your own concrete dock sets the tone for everything here: easy, refined, and move-in ready. Inside, generous open living spaces frame beautiful lake views, and an updated kitchen features stainless appliances, a convection oven, quartz countertops, and Pergo flooring. Storage abounds throughout. Outside, lighted walkways lead the way, and low-maintenance landscaping and exterior mean more time on the water. The shared access road means fewer stairs to the dock a detail boaters genuinely appreciate. Central sewer, quiet cul-de-sac feel, and the prestige of Diamond Head address round out an offering that's hard to match at any price point. Seller includes a one-year home warranty for added peace of mind. Your lakefront chapter starts here.
