Escape to the beauty of the Ozarks with this exceptional wooded waterfront property on the North Fork River. Tucked away in a peaceful, picturesque setting beside Dawt Mill and only minutes from Norfork Lake, this rare offering combines natural beauty, recreation, and endless potential. Towering trees and serene river frontage create the perfect backdrop for your custom dream home, cozy cabin, or private vacation retreat. Spend your days fishing, kayaking, floating the river, or simply relaxing as you take in the sights and sounds of nature. The area is known for its crystal-clear waters, outstanding fishing, and breathtaking Ozark scenery that draws outdoor enthusiasts year-round. With an ideal building site already in place, this property offers the opportunity to create a peaceful getaway while remaining close to local attractions and outdoor adventures. Whether you're searching for a weekend escape, future retirement property, or investment in one of the Ozarks' most scenic areas, this North Fork River lot is ready to make your vision a reality. More lots/land available. See the map in pictures.
