4 Bedrooms | 2 Bathrooms | 1,824 Sqft

Welcome home to this beautifully updated, 1,824-square-foot ranch-style property that perfectly balances classic charm with modern convenience. Situated on a generous .6-acre lot, this home stands out with its exceptional curb appeal, mature shade trees, and a sprawling yard. The exterior features a timeless blend of classic stone accents and low-maintenance siding, anchored by an inviting covered front entry porch with crisp columns. Step inside to discover a highly functional, true single-level floor plan designed for effortless daily living and entertaining. Remodeled throughout, including upgraded electric; an added expansive primary suite to total 4 bedrooms, all new flooring, windows, full kitchen remodel w/ new appliances, mini-split system for efficient heating and cooling, new washer/dryer, and so much more. Pictures do not tell the full story of this lovely home. With room to build a 2-car garage or install a large carport, this is an ideal country oasis just waiting for you to impart your own personal style. The home has already been inspected for the peace of mind of any buyer. Set up your personal tour today.
