MLS# 3587768

\$250,000

Imagine waking up to lake views every morning and making them permanently yours. These 4 wooded lots, totaling just under 10 acres, offer a rare opportunity to build your dream lake retreat in one of Missouri's most beloved destinations. With stunning views of the Lake of the Ozarks and situated on the 2nd tier from the water, you'll enjoy the beauty and tranquility of mature trees without sacrificing convenience lake access, marinas, dining, and entertainment are all just seconds away. The largest lot spans 7+ acres, giving you incredible privacy and room to breathe, while the 3 adjoining lots open up a world of possibilities: build multiple homes, create the ultimate family compound, or simply enjoy the extra space. The flexibility here is truly unmatched. No HOA. No fees. Just 10 acres of potential on all four lots sold together. Whether you're dreaming of a vacation getaway, a full-time residence, or a smart investment in a high-demand lake community, this one is worth a serious look. Opportunities like this don't come around often at the Lake of the Ozarks!
