3 Bedrooms | 2 Bathrooms | 1,348 Sqft

This home combines comfort, functionality, and a great location don't miss the opportunity to make it yours! This charming home features 3 bedrooms and 1.5 bathrooms and sits on a large lot with a fenced backyard for all your four legged family members. The mature trees provide plenty of shade in the yard or you can enjoy the covered deck or the covered patio. These areas offer some fabulous extended space for entertaining. And when everyone is gone, kick back and enjoy the lovely setting just minutes from town and only a few more minutes to public boat access at the Lake. The main level has a large family room full of windows for natural light with a door to the deck. The dining, kitchen and full bath as well as three bedrooms complete the main level. On the lower level there's a bonus room, storage room (or could be craft room), laundry, half bath, garage and shop area. The basement garage offers convenient parking along with additional space for abundant storage. Located just outside the city limits, this property allows you to enjoy a more peaceful outdoor setting while still being close to town and all its conveniences.
