4 Bedrooms | 3 Bathrooms | 2,900 Sqft

Delightful turn-of-the-century home beautifully updated while preserving its timeless charm! This inviting property features a spacious primary suite complete with a private bath, washer/dryer, walk-in closet, & additional closet space for extra storage. The oversized primary bedroom showcases a stunning wall of windows & private deck overlooking the tranquil water fountain, creating the perfect retreat. You will love the beautiful woodwork in the open living room with big windows for natural light. The large formal dining room is wonderful for families to gather. Enjoy peace of mind with new appliances, many new windows, updated flooring, some new plumbing, electric fireplace and numerous additional improvements throughout the home. Stairs to attic for additional storage and a partial basement as well. Sip your morning coffee or unwind in the evening on the charming covered front porch and enjoy the neighborhood atmosphere. Outside, you'll find a 3-car garage/workshop, storage shed, and a location that is hard to beat, all within walking distance to shopping, restaurants, banking and additional businesses. Character, comfort, and convenience wrapped into one delightful property!
