Top-floor lakefront condo at Palisades with the kind of main-channel view buyers hope to find at Lake of the Ozarks. This recently updated 3 bedroom, 3 bath condo in Lake Ozark sits above the 14 mile marker with a covered deck overlooking the main channel, perfect for sunsets, boat watching, and summer fireworks. The included 12x32 boat slip is right in front of the unit, so you can see your boat from the condo and be on the water in minutes. Inside, vaulted and coffered ceilings along with crown molding make the living area feel open and bright. New furnishings give the entire condo a clean, current feel. Recent updates include the dishwasher, wine fridge, water heater, shower in the guest bathroom, outdoor ceiling fan, and carpeting throughout the unit. Most updates are less than a year old, making this an easy turnkey option with real value already in place. Palisades offers three beautiful pools, clubhouse, gated entry, and a prime location close to dining, shopping, entertainment, and lakefront hot spots by land or water.
