4 Bedrooms | 4 Bathrooms | 4,304 Sqft

Some homes simply offer more room. This one gives you space to live, gather, and create memories for years to come. Set on over an acre in Horseshoe Bend, this 4,300+ sq. ft. home was designed for the moments that matter from holiday dinners and game nights to quiet mornings with coffee and evenings around the firepit. The open floor plan welcomes natural light throughout, with scraped hardwood floors on the main level, cherry wood upstairs, two gas fireplaces, and multiple spaces to relax or entertain. Upstairs, the expansive family room, office, full bar, and deck access create a natural place to unwind or host friends and family. The generously sized bedrooms offer comfort and flexibility, while recent updates including polymer siding with transferable warranty, roof, gutters with guards, garage door, carpet, paint, and dual HVAC systems provide peace of mind. Outside, enjoy the new patio, custom retaining wall, firepit, sprinkler system, and plenty of room to make the backyard your own. With beautiful golf course views and a location just minutes from lake activities, shopping, and dining, this is a home built for both everyday living and life's biggest moments.
