MLS# SOM60326699

\$750,000

Bring your horses, your cattle, or your building plans - this remarkable 39-acre farm is ready to meet your vision. Offering the ideal mix of beauty and functionality, the property features a serene pond, a well, and an insulated barn complete with three horse stalls. With electricity already in place, the barn provides a versatile space suited for livestock, equipment, or future expansion. Perfect for cattle grazing and set in peaceful surroundings, this acreage also offers excellent access right off Highway 160, making it a prime location for building your dream home. Embrace the charm of country living and make this exceptional property your own.
