4 Bedrooms | 2 Bathrooms | 1,673 Sqft

Conveniently located in the heart of Camdenton, this 4-bedroom, 2-bathroom home offers the space, flexibility, and outdoor living areas that are hard to find at this price point. The open living and eat-in kitchen create a comfortable flow for everyday life, whether you're hosting friends or simply winding down at the end of the day. The primary suite features a walk-in closet and private bath complete with a jetted tub, while both bathrooms include dedicated linen storage. Above the attached 2-car garage, the spacious bonus room currently serves as the fourth bedroom and offers endless possibilities as a second living area, game room, home office, workout space, or guest retreat. Step outside and enjoy multiple outdoor living spaces, including an open deck up front and a covered deck/patio area overlooking the fenced backyard. There's plenty of room for pets, gardening, entertaining, or simply enjoying your own outdoor space. The attached garage provides additional storage and workspace potential, and the convenient in-town location places schools, shopping, dining, and the Camdenton Square just minutes away. Call off your search and come look at this one today! New 50 Year Roof
