Rare opportunities like this are becoming increasingly difficult to find. This breathtaking south-facing point property offers exceptional waterfront in a large, boat-friendly cove with panoramic lake views, deep water, and expansive shoreline. Premium waterfront properties are a finite resource, and few can match the beauty, privacy, and desirability of this remarkable Lake of the Ozarks setting. Trustee for the trust is a licensed real estate agent. Must have a scheduled appointment to see and /trustee/agent to accompany all showings.
