Experience the perfect blend of quality craftsmanship, flexibility, and breathtaking scenery in this custom-built home on 3.5 private acres overlooking Lake of the Ozarks. Constructed with rare Insulated Concrete Form (ICF) walls, this residence offers exceptional durability, energy efficiency, sound reduction, and low utility costs. Panoramic lake views stretch from the Hwy 54 bridge to Old Kinderhook, creating an ever-changing backdrop from nearly every room. Designed to live like two homes in one, the walkout lower level features its own kitchen, living area, bedrooms, bath, and laundry ideal for multi-generational living, extended family, or long-term guests. The main level showcases engineered wood plank flooring, 36 doorways, a custom alder kitchen with granite countertops, premium appliances, pantry, German silver sink, and a spacious lakeside primary suite with private laundry. Heated/cooled 36x24 garage with finished studio apartment above, plus RV hookup, generator hookup capability, covered decks, expansive patios, and no HOA.
