Cozy Lake-Area Home with Enclosed Porch & Bonus Shed Nestled among mature trees near the Lake of the Ozarks, this charming single-story home offers peaceful living and flexible space. The main home features wood-look flooring, neutral tones, and plenty of natural light throughout. The living room provides a comfortable layout with a ceiling fan and room to relax. The kitchen includes a gas range, refrigerator, and ample cabinet storage. Two bedrooms and one bath complete the main home with the bathroom offering a walk-in shower and vanity. One bedroom also serves as a laundry area with washer/dryer hookups and wall-mounted air conditioning. An enclosed front porch adds additional usable space, perfect for storage, hobbies, or a cozy sitting area. Outside, enjoy a shaded yard, small deck, and mature trees. All furniture and personal items will be removed prior to closing. The property also includes a bonus shed ideal for storage or projects. Please note: the shed does not have power. This property offers comfort, simplicity, and potential perfect for a full-time residence, weekend getaway, or investment opportunity in the Lake of the Ozarks area.
