A rare riverfront opportunity awaits on the North Fork River. This 4.99+/- acre property offers an extraordinary setting where breathtaking scenery, peaceful surroundings, and endless outdoor recreation come together to create the ultimate Ozarks retreat. Spend your days enjoying the pristine waters of the North Fork River, known for its exceptional fishing, kayaking, floating, and swimming. Tucked away in a peaceful setting yet conveniently located just 5 minutes from Dawt Mill and approximately 40 minutes from Mountain Home, Arkansas, you'll have the best of both worlds: quiet seclusion with easy access to shopping, dining, and modern conveniences. With its scenic river frontage and endless potential, this is more than just land -- it's an opportunity to create a destination where lasting memories are made for generations to come. Acreage and boundary lines are approximate. Final acreage and property boundaries will be determined by survey. Property taxes will be updated by the title company prior to closing.
