Some places make it easy to forget what day it is. You wake up, pour a cup of coffee, and before long you're watching boats drift across miles of open water as the lake slowly comes to life. By afternoon, you're untying the boat for an impromptu cruise, and by evening you're back on the deck watching another unforgettable sunset paint the sky. Before long, weekends become extended stays, and leaving gets a little harder every time. Whether you're searching for a weekend getaway, a full-time home, or an investment opportunity, this updated 1-bedroom, 1-bath lakefront condo offers the lifestyle people come to the Lake of the Ozarks to find. The beautifully remodeled bathroom, updated kitchen, newer washer and dryer, and included furnishings mean you can spend less time getting ready and more time enjoying the lake. A 10x24 boat slip is included just steps from the unit, making every day on the water effortless. Located at the 3MM, you're only minutes by boat or car from waterfront restaurants, entertainment, and shopping. Some properties are simply a place to stay. This one feels like a place you'll never want to leave
