2 Bedrooms | 1 Bathroom | 970 Sqft

Privacy, gentle lakefront living, and room to enjoy everything the Lake of the Ozarks has to offer this charming 2-bedroom, 1-bath retreat checks all the boxes. Nestled on nearly an acre with over 125 feet of lake frontage, this property offers a rare combination of space, seclusion, and convenience just minutes from Laurie, restaurants, shopping, and local attractions. Inside, you'll find an updated home featuring beautiful hardwood floors, a warm interior, and a rustic covered lakeside patio that's perfect for grilling, entertaining, or relaxing with lake views. The new roof and updated septic system provide added peace of mind. The outdoor setting is what truly sets this property apart. The nearly flat lot offers an easy walk with hardly any steps to the one-well dock with hoist. A boat ramp shared by only five homes adds even more convenience. Two detached garages/shops provide plenty of space for vehicles, boats, lake toys, a workshop, or extra storage. Whether you're searching for a weekend escape, full-time residence, or the perfect Lake of the Ozarks retreat, opportunities like this are becoming increasingly difficult to find.
