3 Bedrooms | 2 Bathrooms | 1,944 Sqft

Tucked into one of the most convenient locations at Lake of the Ozarks, this private waterfront cabin delivers something that's getting harder to find: easy lake living without the chaos. Just 1 minute from the 5/7 interchange, this location makes getting to the lake simple no matter where you're coming from. Easy access by land and water while still feeling private and tucked away. Located near The Cave Bar & Grill and Nauti Fish Rum Bar, you're close to the action without sacrificing the cabin feel. Inside, the home offers 1,944 square feet with main level living, vaulted wood ceilings, natural light, and lake views throughout. The home is listed as a 3 bedroom, with one non-conforming bedroom offering additional flexibility for guests, bunks, or office space. Outside features include 75' of waterfront, year-round deep water, a 2-slip concrete dock with swim platform, covered deck, detached garage, and multiple gathering spaces. Whether you're looking for a weekend escape, full-time lake living, or a short-term rental investment opportunity, this property checks boxes that are getting tougher to find at the Lake.
