\$424,999

4 Bedrooms | 3 Bathrooms | 2,720 Sqft

Priced below current appraisal and ready for new owners! Come view this custom home set on 5.2 acres ready to make your homestead dreams come to life. Inside you'll find an open concept living with four bedrooms, three full bathrooms, an office/bonus room, and an oversized two car garage. From the vaulted ceilings, custom kitchen with granite countertops and all whirlpool appliances, and generous bedrooms to the expansive covered front porch, not a detailed was missed. The 24*30 shop with water and electric on site offers extra room for toys, tools, and everything in between. The possibilities are endless and the views are even better!
