Bring your lake vision to life on this pair of thoughtfully cleared, ready-to-build lots near beautiful Table Rock Lake. With mature hardwoods still in place, the setting offers a natural Ozarks feel while giving you a strong head start for your future cabin, lake getaway, or full-time home. Enjoy peek-a-boo and winter lake views, plus unbeatable convenience just seconds from the boat launch and public swim area. Spend the day on the water, launch the boat with ease, or head a short drive down the road to Campbell Point Marina or the heart of Shell Knob for dining, supplies, and lake-town amenities. A great opportunity to build near the lake without starting from scratch!
