Don't be the buyer who looks back and says, I should have bought that one. This Lands End property is positioned directly across from the new Oasis development, one of Osage Beach's most exciting upcoming destinations with roller coasters, a Ferris wheel, rides, an indoor/outdoor amphitheater, and an indoor water park and comes turn-key. Combine that with Lands End's resort-style amenities, including a pool, lazy river, splash pad, billiards, clubhouse, fitness center, playground, and basketball court, and you have a property that delivers both lifestyle and investment appeal. Even better, this property includes a 12x36 boat slip. There is a PWC slip available for additional cost. Opportunities like this do not come along often. You'll want to see this one before it is too late.
