Finding the perfect lakefront lot just got easier! If you've been searching for the ideal place to build your dream lake home, this property checks the boxes buyers struggle to find: great location, excellent topography, protected cove setting, & a price point that makes sense. Offering 85 feet of lakefront w/a generous dock envelope, this homesite provides the opportunity to design the lakefront lifestyle you've been waiting for. The cove location creates a more peaceful setting while still allowing you to enjoy everything Lake of the Ozarks has to offer. The favorable terrain is a huge advantage when building, helping maximize design options & outdoor living potential. Imagine walls of windows overlooking the water, outdoor entertaining spaces, & your custom dock just steps away. Whether you're planning a full-time residence, weekend getaway, or future investment, quality lakefront lots w/this combination of shoreline, usability, location, & value are getting harder to find. Don't settle for a difficult build site when you can start w/a property that already offers the features buyers want most. Bring your builder, your vision, and create the lakefront home you've always wanted.
