4 Bedrooms | 2 Bathrooms | 1,868 Sqft

Check out this beautiful 4-bedroom, 2-bath home that sits on a large lot just outside the city limits. Enjoy the peace & privacy of country-style living while still being just minutes from the conveniences of town. The main level floor plan features three spacious bedrooms with one bedroom having an adjoining bathroom, while the lower level offers a fourth bedroom. This home has a stunning kitchen & plenty of room for cooking, gathering, as well as entertaining with the open & inviting living space just off the kitchen. Downstairs, you'll find a large family room complete with a cozy electric fireplace, creating the perfect place to relax, entertain, or enjoy family movie nights. Step outside to either front deck to drink your morning coffee or the back deck overlooking an amazing backyard filled with mature shade trees. The large yard provides plenty of room for outdoor activities & includes a convenient yard hydrant for gardening, watering, or other outdoor needs. A nice bonus is the storage shed that stays with the property. Guess what? There are more great reasons this house checks all the boxes! It includes a double attached garage & a concrete driveway. Amazing property!
