This rare lakefront retreat offers nearly 2 acres of privacy, an abundance of shoreline, and endless possibilities. Whether you're looking for a peaceful full-time residence, a family compound, or an investment opportunity, properties like this seldom come along. The inviting 2-bedroom, 2-bath home features vaulted ceilings, waterproof LVP flooring, newer carpet, a cozy wood-burning fireplace, and an open floor plan that was made for gathering with family and friends. Outside, you'll fall in love with the covered and screened porch, newly built fire pit area, storage shed, chicken coop, carport, and fenced property, all surrounded by the kind of privacy that is hard to find at the lake. And then there's the bonus everyone wants: a fully finished 1-bedroom, 1-bath guest house of approximately 390 sq.ft with its own utilities already in place. Perfect for guests, multi-generational living, a private office, or as an income-producing vacation rental. The possibilities are endless. Private, versatile, and packed with potential, this is more than a home. It's a lifestyle and an opportunity all in one. Square footage includes the guest house.
