Welcome to a truly extraordinary, custom-built Saltbox architectural masterpiece in Lake Ozark. Nestled in a league of its own, this unique home offers an incredible panoramic water view that transforms every ordinary day into something breathtaking. Built with modern efficiency in mind, the property features a highly efficient geothermal heating and cooling system, two private wells, and a gas fireplace, ensuring year-round comfort with a significantly reduced carbon footprint. For the ultimate hobbyist, a dream climate-controlled garage awaits complete with radiant heated floors, commercial-grade openers, and two massive 14x16 foot doors designed for a seamless drive-through experience. Inside, the home boasts two large, airy bedrooms and 2.5 beautifully appointed bathrooms. The gourmet kitchen shines with premium quartz countertops and high-end KitchenAid appliances. Step outside onto the expansive concrete deck, the perfect spot to enjoy your morning coffee over shimmering waters or host friends for a showcase sunset. Priced exactly at its recently appraised value, this home has too many upgrades to list. You truly have to see this one-of-a-kind design for yourself.
