3 Bedrooms | 2 Bathrooms | 1,440 Sqft

This beautiful established home is located on a quiet road at the Lake of the Ozarks, Missouri. It has a filtered lake view and is the setting for this nicely redone lake getaway oasis. And a bonus is a double-car garage that is attached (so lots of room for storage). Many upgrades have been done- new flooring, paint, 2 new bathrooms- the roof is only 2 years old. There is a whirlpool tub for relaxing, and both levels of decking have been replaced. Many new windows and a new lower-level door help with utilities. Lakefrontage is located below the subdivision on 5 acres of hillside that ends in a cove. A dock could be put in, as it has 200 ft of lakefront that belongs to the subdivision and can be used by anyone in the subdivision.
