Located in the highly sought-after Clearwater Condominiums (Camdenton area) at the Lake of the Ozarks, this beautifully updated 3-bedroom, 2-bath lakefront condo offers one of the community's best locations. Ground-floor living provides direct walk-out access to the lake, docks, pool, and your 40-foot boat slip, just steps from the lakeside screened deck. This move-in-ready condo features a brand-new kitchen, new flooring throughout, a remodeled master bath, and a newer high-efficiency HVAC system. This is the **ONLY** Clearwater condo connected to the adjoining unit by both an interior door and exterior deck access. Purchase both units to create a unique 5-bedroom, 4-bath lakefront retreat with two kitchens, two living rooms, and an expanded double-sized deck. The units can also be separated by locking the demising doors, allowing them to be rented together or independently. Included is an extremely rare 40-foot boat slip - one of only six in Docks A H. The adjoining 600-1B also includes a double Sea-Doo slip. Clearwater is one of the Lake's premier condo communities, offering outstanding amenities, beautiful grounds, and excellent lake access. Rare opportunity!
