Located in the highly sought-after Clearwater Condominiums (Camdenton area) at the Lake of the Ozarks, this unique offering features two connected lakefront condos totaling 5 bedrooms and 4 full baths in one of the community's best locations. Ground-floor living provides direct walk-out access to the lake, docks, pool, and boat slip. The 1A side has been beautifully remodeled with a brand-new kitchen, new flooring, and a renovated master bathroom. Additional upgrades include two newer high-efficiency HVAC systems. This is the ONLY condo in Clearwater connected to the adjoining unit by both an interior door and exterior deck access. Together, they create an incredible lakefront retreat with two kitchens, two living rooms, and an expanded double-sized deck perfect for families, entertaining, or investment opportunities. The units can be separated by locking the demising doors, allowing rental flexibility. Included is a rare 40-foot boat slip one of only six available in Docks A-H, plus a double Sea-Doo slip with 600-1B. Large slips like this are nearly impossible to find at Clearwater. Enjoy the outstanding amenities Clearwater Condominiums offers.
