A little cabin, a few acres, and plenty of room to make it your own. This 3.29-acre property offers a great start for a weekend getaway, hunting retreat, or peaceful escape near the lake. The seller has already cleared and thinned portions of the property, opened up a driveway, and started creating a circle drive leading to the cabin. The 12x22 cabin is approximately halfway insulated, with framing already started for a bathroom. Finish it out to fit your plans and turn it into a cozy getaway, rustic retreat, or home base for weekends spent exploring the area. Electric is available at the road, and the property sits just off Highway 135 with very little gravel to travel. You will be approximately 4 miles from lake access and conveniently located near Ozarks International Raceway. The groundwork has already been started. Now it is ready for someone to bring the vision and finish the adventure.
