\$699,900

4 Bedrooms | 4 Bathrooms | 3,949 Sqft

Some homes are built for living, some for entertaining the best are built for both. This magnificent home spans three spacious levels and captures breathtaking main channel views. This home was made for comfortable main-level living, the primary suite, laundry, kitchen, dining, and living room are all conveniently located on the main floor. Soaring vaulted ceilings and expansive windows fill the home with natural light, the windows also feature custom electric shades, while the updated kitchen features granite countertops, a pantry, and an open flow into the main living area. Step onto the lakeside deck to enjoy the view or retreat to the primary suite with a walk-in closet, spa-like bath, cozy stone fireplace, and private balcony overlooking the water. Upstairs are two additional bedrooms and a full bath, while the walkout lower level offers a spacious family room, fourth bedroom with it's own bath, and abundant storage. Three levels of decks provide plenty of space to relax and take in the lake views. Located in the highly sought-after Four Seasons community with access to indoor and outdoor pools, tennis and pickleball courts, fitness center, clubhouse, boat ramps and more.
