Welcome to this exceptional brick home in desirable Charleston Place, offering timeless elegance, quality craftsmanship, and spacious living throughout. A grand covered front porch leads to a stunning foyer with soaring ceilings, hardwood floors, and abundant natural light. The main level features a private office with a see-through gas fireplace, formal dining room, and an impressive living room with built-ins, fireplace, and a wall of windows overlooking the landscaped backyard. The kitchen offers rich wood cabinetry, black granite countertops, center island, breakfast area, and nearby laundry room with abundant storage. The main-level primary suite includes a walk-in closet and luxurious bath with double vanities, jetted tub, and walk-in shower. Upstairs are three spacious bedrooms, including a Jack-and-Jill bath and private ensuite. The finished walkout lower level features a family room, recreation area, wet bar, full bath, two hobby rooms, and a huge John Deere garage/workshop. Additional highlights include a 3-car garage, irrigation system, central vacuum, Lennox HVAC, Aprilaire, water softener, two water heaters, large deck and patio, and beautifully landscaped grounds.
