\$450,000

30+/- secluded acres with an incredible mix of water, wildlife, and building potential! This beautiful property features four ponds, a year-round creek, and an additional wet-weather creek, creating a peaceful setting with abundant deer and turkey. Several cleared areas offer excellent homesites, including a scenic bluff overlooking the year-round creek and its picturesque rock beds. The property is equipped with electric service, a private well with a high-powered pump, two nice sheds (small and large), and a large greenhouse. Multiple open areas could easily be converted to pasture, making it ideal for a home, hobby farm, hunting retreat, or recreational getaway. The possibilities are truly endless on this one-of-a-kind property.
