Discover one of the Ozarks most thoughtfully restored and exceptionally maintained farms. A true labor of love, this property reflects years of meaningful improvements while preserving its heritage, natural beauty, and character. 66+ acre fenced Ozarks farm offering an exceptional blend of mature hardwood timber complemented by open pasture, scenic ponds, trails, & wildlife. Once a working dairy farm, the property features a historic barn, & the foundation of the circa 1910 farmhouse. 20 x40 pole barn added in 2018 with concrete floor. Approximately 1,061' of road frontage, and two additional electrical meter locations offering flexibility for future service for RV hookups, or other improvements. Selective clearing offers the opportunity to expand pasture and grazing areas if desired. Gated entrance and quarter-mile tree-lined drive leads to a meticulously maintained all-brick 3,200+ finished sq. ft. ranch with a finished walkout basement and reinforced concrete safe room/storm shelter. Conveniently located near Bennett Spring State Park, this exceptional property offers outstanding opportunities for farming, recreation, hunting, equestrian use, or peaceful country living.
