This updated lakefront home has been meticulously maintained and enjoyed by the current owners for over a decade. It offers rare lake frontage in a large, sought-after Buck Creek cove with deep water and main channel views. You get a three car garage, plus additional parking in driveway, plenty of outdoor living space, and a grandfathered martini deck, with gentle access down to the water. There is a large dock envelope if you want to add on, and the current dock is already set up for year-round fishing and entertaining. Inside are three conforming bedrooms and two fully renovated bathrooms, plus two additional nonconforming bedrooms. That layout works well for full time living, a large family, or a short-term rental. The inspection is already complete, the home comes with a one year home warranty, and it is selling fully furnished, so you can start enjoying the lake right away. Located at the 8 Mile Marker, you have easy access to dozens of lakefront restaurants, bars, and entertainment.
