Uniquely designed and positioned to take advantage, both inside and outside, of this beautiful location. Sitting on a rock bluff above the Lake of The Ozarks, this three-story home enjoys quiet water at the 3.5 mile marker of the Little Niangua. The property has 120' of shoreline, a three well dock with hoists & a boat house. This 60 x 44 dock, suspended over 25' of water, offers plenty of patio space to accommodate sunning, swimming & fishing. Take advantage of uniquely designed patios, decks & seating areas with two waterfalls & pond. Concrete & steel steps take you from the dock to this three-story home with multiple windows on each level allowing continued lakeview enjoyment. There are two upper-level master bedrooms, joined by a large center hallway & stair tower, displaying a three-story view of the lake, a secondary bedroom is included in the design. The main level features a carpeted step-down great room with gas fireplace, accent lighting & expansive glass windows, including a custom designed corner window. A double front door features leaded windows in the foyer, which opens to an off to-the-side casual dining area.
