4 Bedrooms | 2 Bathrooms | 1,893 Sqft

Located just off Highway 5, this beautifully remodeled in 2025 4-bedroom, 2-bathroom home offers the perfect blend of modern updates, accessibility, and exceptional workspace on 8.2 acres. The wheelchair-accessible home features new carpet, new interior doors and trim, updated lighting throughout, and fiber internet, making it ideal for today's lifestyle. Step outside to enjoy a stocked pond complete with a brand-new swim platform, creating the perfect place to fish, swim, or simply relax while taking in the peaceful country setting. The impressive 40' x 60' heated and cooled shop is a rare find and offers outstanding business or hobby potential. It features concrete floors, two vehicle lifts, an air compressor, a paint booth, and 10', 12', and 14' overhead doors, providing ample space for equipment, projects, or commercial use. A 30' x 24' lean-to/carport offers additional covered storage and also has additional storage behind. Whether you're looking for a move-in-ready home with acreage, a property to operate your business, or the perfect combination of both, this one-of-a-kind property has it all.
