There is something different about a home that simply makes life easier. The things that matter are where they should be, the space works the way you need it to, and instead of spending your time on projects and maintenance, you're free to enjoy the moments that make a house feel like home. Thoughtfully rebuilt with comfort, efficiency, and flexibility in mind, this home features updated flooring, paint, siding, and major improvements throughout, meaning much of the hard work has already been done. Inside, the additional living area with its own wet bar and bathroom creates endless possibilities a second family room, game room, guest space, or bunk room. The detached two-car garage offers plenty of room for vehicles, hobbies, and lake toys, while your 10x24 community dock slip is ready whenever the water calls. With boat ramp access, trailer parking, and room for golf carts and ATVs nearby, getting on the lake is effortless. Some homes check boxes. Others make it easier to enjoy where you live. This is one of those homes.
