\$165,000

Bring your RV or build a home at the 3 Mile Marker of the Little Niangua Arm at Lake of the Ozarks! This exceptional 0.72 lakefront lot features an impressive 219 feet of shoreline, offering plenty of waterfront to enjoy. A driveway is already in place, leading to a level, usable building site that's perfect for your RV while you plan your future lake home or for immediate weekend getaways. Located in a quiet neighborhood with access to a community boat ramp, you'll enjoy convenient access to boating, fishing, and all the recreation Lake of the Ozarks is known for. Whether you're looking for a vacation retreat or a future full-time residence, this property offers the ideal combination of privacy, usability, and outstanding lakefront potential.
