Talk about a COMPLETE OVERHAUL! This 4 bedroom 3 bath home would win the contest. Start with septic, well and roof, move onto windows, doors, drywall, flooring and paint/stain inside and out. Then add baths and all appliances including washer/dryer and lastly a new 14x14 kitchen addition with island and new mini split. The lot is gentle with unbelievable views of the main channel and calm water just inviting you to take a swim. I love the concrete patio right on waterfront. Dock is permitted but has not been updated. Seller has had property surveyed and its ready for new owners to turn in for loma. It's a must see. COMO is active onsite.
