2 Bedrooms | 1 Bathroom | 726 Sqft

Welcome to the heart of Camdenton, this inviting home places you just a SHORT WALK from everything DOWNTOWN has to offer! Start your morning with the famously delicious breakfast at STEWART S, or grab lunch at TWISTED TONY S, home of the Lake area's award winning sub sandwiches for multiple consecutive years. Back at home, discover a MASSIVE BACKYARD with endless possibilities perfect for Gardening, backyard games, pets, or giving the kids plenty of room to run and play. Out front, unwind on the SPACIOUS DECK with a cup of coffee as the sun rises, or fire up the grill and host unforgettable evenings with family and friends. Inside, you'll love the home's incredibly EFFICIENT LAYOUT, designed to provide easy access to every room while maximizing comfort and functionality. Need space for hobbies or projects? The impressive SHOP is ideal for everything from woodworking and crafts to automotive projects or additional storage. Whether you're looking for convenience, space, or a home built for making memories, this Camdenton gem offers the complete package in one of the area's most desirable locations!
