Over 1 acre of potential commercial land off Hwy 160 off James River Bridge. Farm house is needing a complete remodel and although was previously rented, it has been vacant for years. This property was planned for an air bnb with close river access. Brand new well house, septic lines, and electric, so ready for construction or remodel. Everything on site is ready to go. Total Highspeed is currently in process of installing on backside of land. Lots of possibilities and great location. Land was being leased for RV but is now vacant.
