Wet weather creek on a secluded 30 +/- acres. Your own private retreat with over 5,000 square feet of meticulously crafted living space with no wasted space. The main residence boasts 5 spacious bedrooms, 3 full bathrooms, and 2 half bathrooms, thoughtfully laid out to accommodate large families, a company retreat or multigenerational living. The lower level features full, private living quarters -- ideal for guests, in-laws, or a place to entertain. Upstairs, the open-concept living area is anchored by one of three fireplaces, flowing seamlessly to the upper-level deck where a private hot tub invites you to unwind under the stars. The outdoor amenities include a sprawling covered patio with an outdoor kitchen, a fire pit, and expansive gathering spaces, all surrounded by the peaceful sounds of nature. A 3-car garage on the main level and a 2-car garage on the lower level provide ample room for vehicles, toys, and equipment. For ultimate peace of mind, the home is powered by two buried 1,000-gallon propane tanks, dual HVAC systems, dual hot water heaters, and a full backup generator system that ensures year-round reliability. In addition to the main home, the property features an impressive 50' x 60' shop with full living quarters, ideal for a guesthouse, workshop, or a place to host friends and family. The shop is complete with its
