5 Bedrooms | 2 Bathrooms | 2,362 Sqft

This spacious home, shop, and 58.3+/- acres in the heart of the Ozarks offers space, privacy, and country living at its best--while still being close to town. The 5-bedroom, 2-bath home features central heat and air, including a new HVAC system installed in March 2025, along with a wood furnace for efficient, year-round comfort. The large 24' x 38' shop includes a concrete floor, electric, and a wood stove--providing a comfortable workspace for projects or equipment year-round. The land features a mix of open and wooded areas, two nice-size ponds--one with a fishing dock, and a chicken coop--ideal for livestock, recreation, or simply enjoying the natural Ozark surroundings. A solid property with a versatile home and quality improvements.
