Welcome to modern country living in Clever! Set on just over 41 acres, this fully renovated down to the studs property offers a rare blend of function and design with over 4,200 square feet of thoughtfully updated living space. From the covered front entry with timber accents to the bright, open interior, the home has an inviting feel from the moment you walk in. Black Andersen windows bring in natural light and frame the surrounding views, while updated HVAC systems and custom railing add to the overall quality and comfort. The main level is both spacious and practical with the primary suite, two guest bedrooms with oversized closets, a hall bath, office, mudroom and laundry with rear access, and a half bath just off the kitchen. The kitchen stands out with rich custom wood cabinetry, soft close hinges, a large island, stainless appliances, and a walk in pantry, flowing seamlessly into the dining area anchored by a stone wood burning fireplace. Just beyond, a covered screened porch creates the perfect space for slow mornings, summer evenings, and taking in the peaceful setting. The primary bath offers a soaking tub and walk in tile shower, creating a quiet retreat at the end of the day. Downstairs, you will find two additional bedrooms, a third non conforming bedroom, generous storage, and a second living space with another fireplace and
