If you've been waiting for that WOW lake view... this is it! This beautifully maintained ONE-OWNER 2 bedroom, 2 bathroom condo sits right on the edge of Table Rock Lake and gives you the kind of view people come to the Ozarks for. Whether you're sipping your morning coffee or winding down in the evening, that water backdrop never gets old. Inside, the layout is open, comfortable, and perfect for both relaxing and entertaining. The living, dining, and kitchen areas flow together seamlessly, all positioned to take full advantage of the lake view. Large windows bring in tons of natural light and frame the water like a picture. Step out onto the covered deck and you'll quickly realize... this is where you'll spend most of your time. The kitchen offers plenty of cabinet space, marble tile countertops, and a functional layout that makes it easy to cook while still being part of the conversation. The living area is spacious and inviting, and the entire unit has been well cared for. The primary suite is generously sized with its own private bath, and the second bedroom and bathroom are ideal for guests. Best part? This condo is being sold fully furnished (with just a few personal exclusions), making it truly move-in ready. You'll also love the convenience of elevator access--no hauling groceries up stairs--and easy parking nearby. And the amenities here really set this one apart.
