Opportunity is Knocking!!!! Currently being operated as Airbnb and VRBO! This nightly Waterfront rental property has three extra nice 1BR, 1BA cabins, 2 have 2 beds, and 1 has 1 bed. This property borders Butler Creek and are a stone's throw from the Elk River. There is also a 2 BR 1.5 BA home that could be rearranged and used as a 2BR 1BA upstairs and a Hostel downstairs. The property would also lend itself very well for a Glamping location along Butler Creek. If you are looking for a solid well maintained investment property with good and growth income potential don't miss out on this opportunity!!
