2 Bedrooms | 1 Bathroom | 752 Sqft

This stunning 2-bedroom, 1-bath barndominium sits on approximately 90+/- acres of beautiful, functional land and is set up for both comfort and productivity. The home features durable concrete floors, two mini-split units for efficient year-round climate control, and a tankless water heater for endless hot water. A year-round spring runs through the property, and it also borders Spring Creek, adding exceptional natural beauty and reliable water sources. The land is fully fenced and cross-fenced, making it ideal for livestock, with multiple tire cattle waterers placed throughout. Across the creek, there is a productive hayfield to support your operation, and the property also includes a portable cattle corral along with an Arrowquip cattle squeeze chute, making it a true turnkey setup. Whether you're looking for a working cattle farm or a peaceful country retreat, this property is an absolute gem.
