MLS# SOM60324842

\$139,500

Perched in a prestigious luxury lake community, this exceptional property offers breathtaking panoramic views that stretch for miles. Surrounded by upscale homes and natural beauty this 4.26 acres offers water views in three directions! You have water views to the west and to the east, and you can see for miles to the south. Lots are cleared with a gentle slope. Community water and septic. There is a waterfall feature at the entrance to the neighborhood located on lot 1 that is beautiful and unique. This is truly a must see property.
