WOW LOOK AT THIS ONE!!! A BEAUTIFUL 3 LEVEL HOME ON 5 ACRES! The home has 3 bedrooms and 3 and 1/2 baths. The home has Cedar siding and a metal roof, with a 2 car attached garage. There is also a large 3 bay metal shop building that is sealed, has power, water and bathroom. The property has highway frontage and is just a few miles from the CURRENT River. The home is also just past the County Road that leads to THE BIG CREEK TRAIL RIDE. Now on to the beautiful home, when you walk up there is a covered porch that runs along the front of the home. When you enter there is a large living room with big windows and high ceilings. There is new carpeting within the last 2 months, and new painted walls and ceilings. Across the living room is a new sun room with high wood ceiling and large windows for natural lighting. The dining room has an open floor plan to a beautiful kitchen with an island and custom built oak cabinets and pantry. Off the living room is a master bedroom with a bay window and bathroom with double sinks and custom built oak vanity. The upstairs is up a beautiful oak stair case that leads to 2 bedrooms with large walk in closets and a full bathroom. The basement is partially finished with bathroom and some sheetrock walls and shelving, would take very little to make an on suite with second living space! There is a room off
