\$194,700

2 Bedrooms | 1 Bathroom | 751 Sqft

This beautiful, remodeled 2-bedroom home is just a short walk to Table Rock Lake. It offers a great mix of charm and convenience. Inside, you'll find an impeccable open layout with granite countertops and updated finishes throughout. The home feels fresh, stylish, and easy to enjoy. Step outside to the spotless side deck, perfect for relaxing and watching lake sunsets. The fenced backyard provides a private space to unwind, and the 1-car carport offers covered parking for your vehicle or boat. Whether you're looking for a weekend getaway or a low-maintenance home near the water, this beautiful lake-view property is a great choice.
